

# 2020/2021 PE AND SPORT PREMIUM DEVELOPMENT PLAN

## *EVIDENCING THE IMPACT & SUSTAINABILITY*

### PE and Sport Premium Statement

At Abington Vale we provide a curriculum that inspire pupils to excel in physical education, physical activity and school sport. There is a structure that enables pupils to become physically confident and to develop their health and fitness. In addition to the curriculum, we provide competitive sporting opportunities, physical activities and clubs. It is important to us that we instil sporting values into our pupils to develop their character and respect of others.

PE, Physical Activity and School Sports have numerous benefits for physiological health, as well as mental wellbeing. Children who are physically active are happier and more resilient so we are striving to ensure that pupils have access to high quality curricular and extra-curricular provision.

We believe that all young people should have the opportunity to live healthy and active lives. An early positive experience of sports and physical activities, at a young age, builds a lifetime habit of participation. We have developed this plan to enhance our current practices and fulfil our ambitions for pupils at Abington Vale.

SCHOOL

Abington Vale Primary School

HEAD TEACHER

Laura Cichuta

PE COORDINATOR

Cathy Whaler, Vicky Panter and Tom Mills

## PE and School Sport Premium – The purpose

The premium must be used to fund additional and sustainable improvements to the provision of PE and sport, for the benefit of primary-aged pupils, in the 2020 to 2021 academic year, to encourage the development of healthy, active lifestyles.

## Vision - Government

All pupils leaving primary school physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy lifestyle and lifelong participation in physical activity and sport

## Vision – School

All children will have a high quality offer for PE, Physical Activity and School Sport so they are physically literate

## Objectives

Schools must use the funding to make **additional and sustainable** improvements to the quality of physical education (PE), physical activity and sport they offer.

This means that Abington Vale will use the premium to:

- i) Develop or add to the PE, physical activity and sport activities that we currently offer
- ii) Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

## Key outcome indicators; updated for 2020/2021

Schools can use the funding to secure improvements in the following indicators;

### Key outcome indicator 1: Engagement of all pupils in regular physical activity

For example, by:

- providing targeted activities or support to involve and encourage the least active children
- encouraging active play during break times and lunchtimes
- establishing, extending or funding attendance of school sport clubs and activities and holiday clubs, or broadening the variety offered
- adopting an active mile initiative
- raising attainment in primary school swimming to meet requirements of the national curriculum before the end of key stage 2. Every child should leave primary school able to swim

### Key outcome indicator 2: Profile of PE and sport is raised across the school as a tool for whole-school improvement

For example, by:

- encouraging pupils to take on leadership or volunteer roles that support sport and physical activity within the school (such as 'sport leader' or peer-mentoring schemes)
- embedding physical activity into the school day through active travel to and from school, active break times and active lessons and teaching

### **Key outcome indicator 3: Increased confidence, knowledge and skills of all staff in teaching PE and sport**

For example, by:

- providing staff with professional development, mentoring, training and resources to help them teach PE and sport more effectively to all pupils, and embed physical activity across your school
- hiring qualified sports coaches to work alongside teachers to enhance or extend current opportunities

### **Key outcome indicator 4: Broader experience of a range of sports and activities offered to all pupils**

For example, by:

- introducing new sports and physical activities (such as dance, yoga or fitness sessions) to encourage more pupils to take up sport and physical activities
- partnering with other schools to run sport activities and clubs
- providing more (or broadening the variety of) extra-curricular activities after school in the 3 to 6pm window, delivered by the school or other local sport organisations

### **Key outcome indicator 5: Increased participation in competitive sport**

For example, by:

- increasing pupils' participation in the [School Games](#)
- organising, coordinating or entering more sport competitions or tournaments within the school or across the local area, including those run by sporting organisations

## Review of PE and School Sport Premium expenditure 2020/2021

Key priorities to date	Key achievements / What worked well <i>What evidence is there of impact on your objectives</i>	Key Learning / What will change next year (2021/2022) <i>Does this reflect value for money in terms of the budget allocated</i>
1. Engagement of all pupils in regular physical activity		
2. Profile of PE and sport is raised across the school as a tool for whole-school improvement		
3. Increase confidence and skills of staff in teaching PE and Sport		
4. Broader experience of a range of sports and activities offered to all pupils		
5. Increased participation in competitive sport		

## Meeting national curriculum requirements for SWIMMING and WATER SAFETY

### You can use your funding for:

- ✓ Professional development and training that are available to schools to train staff to support high quality swimming and water safety lessons for their pupils.
- ✓ Additional top-up swimming lessons to pupils who have not been able to meet the national curriculum requirements for swimming and water safety after the delivery of core swimming and water safety lessons. At the end of key stage 2 all pupils are expected to be able to swim confidently and know how to be safe in and around water.

Schools are required to publish information on the percentage of their pupils in year 6 who met each of the 3 swimming and water safety national curriculum requirements

Outcome	% of pupils achieving outcome			
	2017/2018	2018/2019	2019/2020	2020/2021
Swim competently, confidently and proficiently over a distance of at least 25 metres	60%	65%	83.5%	
Use a range of strokes effectively; front crawl, backstroke and breaststroke	70%	60%	56.5%	
Perform safe self-rescue in different water-based situations	60%	100%	56.5%	
The premium may also be used to provide additional top-up swimming lessons to pupils who have not been able to meet the national curriculum requirements for swimming and water safety after the delivery of core swimming and water safety lessons. At the end of key stage 2 all pupils are expected to be able to swim confidently and know how to be safe in and around water. <b>Have you used and funding for this purpose?</b>	No	No	No

## Accountability

It is a statutory requirement of Ofsted, under their Common Inspection Framework, to ensure that information on the use of the Primary PE and Sport Premium is available on your school website. One of the key purposes of putting information on the school website is to keep parents informed, so this information should be written in a format that is clear and easily accessible.

<b>Completed by:</b>						<b>Date:</b>		
<b>Document updated</b>								

## Department for Education guidance on how to use the Primary PE and Sport Premium – updated November 2019

All young people should have the opportunity to live healthy and active lives. A positive experience of sport and physical activity at a young age can build a lifetime habit of participation, and is central to meeting the government's ambitions for a world-class education system.

Physical activity has numerous benefits for children and young people's physical health, as well as their mental wellbeing (increasing self-esteem and emotional wellbeing and lowering anxiety and depression), and children who are physically active are happier, more resilient and more trusting of their peers. Ensuring that pupils have access to sufficient daily activity can also have wider benefits for pupils and schools, improving behaviour as well as enhancing academic achievement.

The [School Sport and Activity Action Plan](#) set out government's commitment to ensuring that children and young people have access to at least 60 minutes of sport and physical activity per day, with a recommendation of 30 minutes of this delivered during the school day (in line with the [Chief Medical Officer guidelines](#) which recommend an average of at least 60 minutes per day across the week).

The PE and Sport Premium can help primary schools to achieve this aim, providing primary schools with £320m of government funding to make additional and sustainable improvements to the quality of the PE, physical activity and sport offered through their core budgets. It is allocated directly to schools so they have the flexibility to use it in the way that works best for their pupils. The [PE and Sport Premium survey](#) highlighted the significant impact which PE and Sport has had in many primary schools across England.

### **Schools must use the funding to make additional and sustainable improvements to the quality of physical education (PE), physical activity and sport you offer.**

This means that you should use the premium to:

- ✓ Develop or add to the PE, physical activity and sport activities that your school already offers
- ✓ Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

### **Schools can use the premium to secure improvements in the following indicators:**

1. The engagement of all pupils in regular physical activity – the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
2. The profile of PE and sport is raised across the school as a tool for whole-school improvement
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport
4. Broader experience of a range of sports and activities offered to all pupils
5. Increased participation in competitive sport

### **Active Miles**

Where schools choose to take part in an active mile, you should use your existing playgrounds, fields, halls and sports facilities to incorporate an active mile into the school day and develop a lifelong habit of daily physical activity.

## What should you funding NOT be used for?

You should not use your funding to:

- ✖ Employ coaches or specialist teachers to cover planning preparation and assessment (PPA) arrangements – these should come out of your core staffing budgets
- ✖ Teach the minimum requirements of the national curriculum – with the exception of top-up swimming lessons after pupils' completion of core lessons (or, in the case of academies and free schools, to teach your existing PE curriculum)
- ✖ Fund capital expenditure – the Department for Education does not set the capitalisation policy for each school. School business managers, school accountants and their auditors are best placed to advise on a school's agreed capitalisation policy

## Schools compliance

Schools are accountable for their use of the PE and Sport Premium funding allocated to them. Schools are expected to spend the grant for the purpose it was provided only – to make additional and sustainable improvements to the PE, sport and physical activity offered. Schools and local authorities must follow the terms and conditions in the [conditions of grant documents](#).

## Ofsted inspections

Ofsted's new [Inspection Framework](#), which came into effect from September 2019, gives greater recognition to schools' work to support the personal development of pupils, such as the opportunities they have to learn about eating healthily and maintaining an active lifestyle. Inspectors will expect to see schools delivering a broad, ambitious education, including opportunities to be active during the school day and through extra-curricular activities. Schools should consider how they use their PE and Sport Premium to support this.

## Online reporting

You must publish details of how you spend your **PE and sport premium funding** by the end of the summer term or by 31 July 2020 at the latest. Online reporting must include:

- ✓ The amount of premium received
- ✓ A full breakdown of how it has been spent
- ✓ The impact the school has seen on pupils' PE, physical activity, and sport participation and attainment
- ✓ How the improvements will be sustainable in the future

You are also required to publish the percentage of pupils within your year 6 cohort in the 2018 to 2019 academic year who met the **national curriculum swimming** requirement to:

- ✓ Swim competently, confidently and proficiently over a distance of at least 25 metres
- ✓ Use a range of strokes effectively
- ✓ Perform safe self-rescue in different water-based situations

- ✓ Attainment data for year 6 pupils should be provided from their most recent swimming lessons. This may be data from years 3, 4, 5 or 6, depending on the swimming programme at your school.

### **Review of online reports**

Schools' online reporting is monitored through an annual sample of schools in each local authority. Active Partnerships review the published information on selected schools' websites to ensure it meets the requirements on premium funding and swimming attainment. The results are reported to the Department for Education, and also help to ensure that Active Partnerships can offer schools in their local area the most relevant support.
