Our Value for the term is: Respect

We will respect each other and our differences. We develop esteem for or a sense of the worth or excellence of each person & we look to foster personal qualities and abilities. We teach each other to respect others for their knowledge/skills and abilities or because they have a privileged position & we acknowledge we all have strengths and weaknesses, others will be better in some areas.

STORIES by SHANE

We've chosen Arbor to help us manage our school. Arbor is a simple, smart and cloud-based MIS (Management Information System), which helps us work faster, smarter and more collaboratively as a school. The Arbor App and Parent Portal mean we can keep you informed about your child's life at school in a much more accessible way. Log into Arbor to see and update your child's information, get live updates and make payments or bookings on the go! The Parent Portal works on Google Chrome (computer or laptop) and you can download the Arbor App from the App Store or Google Play Store on your phone (Android 5.0; iOS 10.0 and upwards).
