Our value for the term: Courage

We will develop and foster the quality of mind or spirit that enables a person to face difficulty, danger, pain, etc, without fear. We teach bravery and provide each other with the support to achieve goals and outcomes that sometimes can seem out of reach. We look after each other and help each other to achieve more.

PE News

It has been a very busy week for sport across Abington Vale!

On Tuesday, 12 year 4 children attended the School games values target festival where they took part in a selection of activities focussing on the aiming and coordination elements of sport.

On Wednesday, 9 super year 6 basketballers attended a very competitive basketball event and won 2 out of their 3 games. They showed fantastic teamwork and sportsmanship and we are very proud of their performance.

On Thursday, we sent 20 talented year 3, 4, 5 and 6's to prepare for an upcoming athletics competition. This was an inter-school quadkids athletics training session at the Moulton College athletics track and the children have returned feeling confident and prepared.

We wish them luck for next week!
