She inspires us because…

She didn't give up, even when the army said she couldn't go to help.

She was brave enough to travel the world on her own.

She went onto the battlefront and helped wounded soldiers.

Edith Cavell

She inspires us because…

She looked after soldiers on both sides of the war.

She saved many lives by helping soldiers escape to safety.

She was thoughtful and believed that everyone should be treated the same.
