### Information for Parents: Covid

If your child is unwell, it is very important that you contact the school office with your Childs reason for absence. If your child has any Covid symptoms, it is vital that you book them a Covid test and they remain at home until the test comes back. If it comes back negative, your child can return to school once feeling well enough. We also need to see a copy of their result. This can be forwarded to [enquiries@avps.org.uk](mailto:enquiries@avps.org.uk).

#### You should only book a test if your child has any of these 3 coronavirus symptoms:

1. A high temperature: any new high temperature where your child feels hot to touch on their chest or back (you do not need to measure the temperature)
2. A new continuous cough: coughing a lot for more than an hour, or 3 or more coughing episodes in 24 hours
3. A loss of, or change in, sense of smell or taste: a noticeable loss of smell or taste or things smell and taste different to normal

Your child does not need a test if they have a runny nose, are sneezing or feeling unwell but do not have a temperature, cough or loss of, or change in, sense of smell or taste because these are not normally symptoms of coronavirus. if you are unsure about whether to get a test, please check the [official list of symptoms on the NHS website](#), which is reviewed regularly.
